To whom it may concern,

We hereby confirm that UNIFLEX LOGISTICS TRADING AND PROJECTS is the authorized distributor for our range of Atlas Slurry Pumps and associated products in the Botswana region.

All resellers and end users within this area are required to direct their enquiries exclusively to UNIFLEX LOGISTICS TRADING AND PROJECTS. We also commit to UNIFLEX LOGISTICS TRADING AND PROJECTS our aftermarket back up on our products and 24-hour assistance on any issues that may occur.

We compete by providing excellent service, outstanding products and sound technical support and are committed to the highest standards of ethical business conduct.

Our main objective is to be a value adding service provider striving for customer satisfaction and continuous improvement. In order to achieve this objective, we place specific focus on our on-time deliveries, world class quality products and workmanship, reliability and understanding the need of our clients and subsequent operations.

What we do:

Established in 2004, Atlas Equipment Manufacturing Ltd. has grown quickly to become the leading and professional slurry pump manufacturer and exporter and has a successful history. The company has developed and diversified over the years and now trade within the mining, steel plant, power plant, construction, sand and gravel, and coal washing industries.

*Early from year 2008 and 2009, Atlas has been the unique Chinese supplier to make OEM high chrome pump spares for World famous slurry pump brands. Up to now, Atlas has been approved to be the qualified supplier of **Rio Tinto, Codelco, Anglo Gold Ashanti, Barrick, Posco E&C and etc.***

We look forward to a long and mutually satisfying partnership, assuring UNIFLEX LOGISTICS TRADING AND PROJECTS of our best intentions and services at all times.

Kindly accept our invitation to visit our Facility and repair, as well as affording us the opportunity to submit our proposal on your next project and/or spare part requirements.

Should you require any further information, kindly contact the undersigned

Yours sincerely,

Adriaan De Beer
Managing Director
